Cool Stuff: Taj Cushions at Lotus Bleu

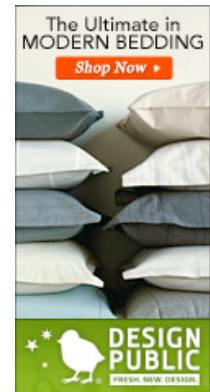

Hayes Valley's [Lotus Bleu boutique](#) just got in a shipment of these gorgeous pillows, priced from \$58 to \$128, from German design duo Taj. I love their vibrant colors and exuberant embroidery, appliques, and other fine details.

Check out the cushion collection [here](#).

Bonus: The store's entire stock of lustrous Vietnamese [lacquerware](#) is 40 percent off. (The sale prices don't seem to be showing up in Lotus Bleu's [online](#)
